[REDACTED] has returned to duty in OSR.
Bruce has had him read the files and call on
Gen. Reynolds. He has also contacted Col.
Walker, the SSDSG chief of staff, regarding
the statement in Gen. Wood's attached memo
that the Agency officer should report to the
Pentagon at the end of February. Walker said
that Mark could join them at any time.

Bruce proposes to have Mark report to
the Pentagon on 5 February, after your next
meeting with Gen. Wood and Ambassador McClintock.
After that meeting Bruce will prepare a formal
Agency reply to Gen. Wood.
